

March 7, 1975

you ready for the question? Senator Dworak.

SENATOR DWORAK: Mr. Chairman, I'd like to suggest that maybe we lay this bill over a day until we have a chance to look at and study these amendments.

PRESIDENT: Are you making a motion?

SENATOR DWORAK: I move that the bill be bracketed one day until the amendments are distributed to the body for a chance to review them.

PRESIDENT: Any discussion on that motion? Senator Kremer.

SENATOR KREMER: I will support the motion and add to it and say that the amendment will be printed in the Journal and then bracket the bill so...

PRESIDENT: Can't you move to close debate so I don't have to recognize Senator Duis. Senator Duis. We are talking on the motion to bracket. Could you make your statement relevant, Senator Duis?

SENATOR DUIS: I sure can. Thank you very much for your motion because I did want to say that I would oppose the bracketing motion because I will go along with Senator Kremer's amendment and, therefore, I oppose the bracketing because I am for law and order and I do, sincerely, hope that this discussion has brought out some facts and some points so, consequently, thank you so much for the opportunity to speak again.

PRESIDENT: I hope the Clerk got every word. Are you ready for the question. Senator Luedtke.

SENATOR LUEDTKE: Question, are we...

PRESIDENT: The question is bracketing the bill for one day.

SENATOR LUEDTKE: Well, I, personally, think that this is what is bogging this body down. We have discussed this thoroughly and I don't know if there is anybody in here not ready to vote. Why must we bracket it even one minute? I would object to bracketing.

PRESIDENT: Are you ready to vote? The question is bracketing the bill. Record your vote. Record the vote.

CLERK: 8 ayes, 25 nays.

PRESIDENT: The motion fails. Are you ready for the question on the amendment. The question is...Senator Luedtke.

SENATOR LUEDTKE: Just a minute. On the question, on the amendment now. This is on the amendment, the motion now. I have a question I would like to ask of Senator Kelly, if he would yield, before we take up the amendment.

PRESIDENT: Senator Kelly, would you respond to a question by Senator Luedtke.

SENATOR KELLY: Yes sir.
